Dear Sir:

An examination of our files discloses that you have not filed Forms U.C. 18A and B, quarterly report of wages payable to individual employees for employment during the fourth quarter of 1938.

The information required in this report is vitally necessary to properly accumulate your workers' earnings maintained by the Commission in order that it may be in the position to promptly compute and pay the correct amount of benefits due a worker when he becomes unemployed.

Penalties are accruing from the due date, January 31, 1939, at the rate of one dollar for each day of delinquency, subject to a maximum of fifteen dollars. Further delinquency beyond this date will be considered willful failure or refusal to furnish reports, which is liable to a fine of from twenty to two hundred dollars, with each day of such failure or refusal constituting a separate offense.

Very truly yours,
